INTRO: G, C, G, C, G, C, G, C, Dsus/F#

Em D C G, C, G, C, Dsus/F#
I am running out of ways to say

Em D C G, C, G, C
I'm aggravated by the complicated way

D C
in which we fail to reach Your people;

D C
in which we fail to follow You.

G D Em C G
You came to us right where we were

G D Em C
and we want to be Your witness.

G D Em C
But then we stare at the sky

G D C D
and expect them to come to us.

There's just got to be a change.

G D C G, C, G, C
I will take Your love and spread it all around me.

D C G, C, G, C, Dsus/F#
I will show Your grace in everything I do.

Em D C G, C, G, C
I will shout Your message even when it can't be heard.

D C
And I will chase Your people
G, C, G, C, G, C, G, C, Dsus/F#
to the ends of the earth.

Em D C G, C, G, C, Dsus/F#
If we do not come down from the mountain

Em D C G, C, G, C
how will others find the way to climb?

D C
We must try to reach Your people.

D C
We must try to follow You.

G D Em C G
Lord place our hands upon the work

G D Em C
that You want done in the valley.

G D Em C
Keep us always moving forward

G D C D
pouring out Your offering.

And we will not go alone.

G D C G, C, G, C
We will take Your love and spread it all around us.

D C G, C, G, C, Dsus/F#
We will show Your grace in everything we do.

Em D C G, C, G, C
We will shout Your message even when it can't be heard.

D C
And we will chase Your people
G, C, G, C, Dsus/F#
to the ends of the earth.

Em C G, C, G, C, Dsus/F#
We cannot afford to sit and wait.

Em C G, C, G, C, Dsus/F#
We cannot ignore the gift You gave.

Em D C G, C, G, C, Dsus/F#
Holy Spirit fall upon this place.

Em C D
Give us the power to stand and say

we're gonna shout it out loud

G D C G, C, G, C
We will take Your love and spread it all around us.

D C G, C, G, C, Dsus/F#
We will show Your grace in everything we do.

Em D C G, C, G, C
We will shout Your message even when it can't be heard.

D C
And we will chase Your people;

D C
we will chase Your people;

D C
we will chase Your people

G, C, G, C, G, C, G, C, G
to the ends of the earth.
