

EMBRACE ME

Words & Music by Darrell Smith - © 2001 dLOVE mUSIC

C# F# Bbm G#2
A child to a father
C# F# Bbm G#2
Running with open arms
C# F# Bbm G#2
A game of can you catch me?
C# F# Bbm G#2
What can you do to catch my heart?
C# F# Bbm G#2
Each step drawing closer
C# F# Bbm G#2
Effort pure and discontent
C# F# Bbm G#2
Only just a little harder
C# F# Bbm G#2
A faster step to help me win

F# C# C#2
I feel like I can catch you
F# C# G#2
I feel like I can play my part
F# C# C#2
I want to wrap my arms around you
F# B G#2 G#sus G
I feel like I can catch your heart
C# F# Bbm G#2

Won't you embrace me?
C# F# Bbm G#2

Can I embrace you?

C# F# Bbm G#2

Tell me what can I do

C# F# Bbm G#2 C#, F#, Bbm, G#2, C#, F#, Bbm, G#2

To catch your heart?

C# F# Bbm G#2
A fool diving forward
C# F# Bbm G#2
A missed target steps aside
C# F# Bbm G#2
My body starts to weaken
C# F# Bbm G#2
Thoughts of surrender start to rise
C# F# Bbm G#2
I want to be there with you
C# F# Bbm G#2
But my ability will not abide
C# F# Bbm G#2
Though my desire is strong enough
C# F# Bbm G#2
I cannot struggle to your side

F# C# C#2
I feel like I can catch you
F# C# G#2
I feel like I can play my part
F# C# C#2
I want to wrap my arms around you
F# B G#2 G#sus G#
I feel like I can catch your heart
C# F# Bbm G#2
Won't you embrace me?
C# F# Bbm G#2
Can I embrace you?
C# F# Bbm G#2
Tell me what can I do
C# F# Bbm G#2 C#, F#, Bbm, G#2, C#, F#, Bbm, G#2
To catch your heart?

F# Bbm A F# C# A
I lay my effort down before you
F# Bbm A C# F# Bbm A
To you I give this broken heart
F# Bbm A F# C# A
You move to fast for me to seize you
F# B A
Please take me in your arms

C# F# Bbm G#2
I'm not strong enough
C# F# Bbm G#2
To earn your love
C# F# Bbm G#2
So here and now
C# F# Bbm G#2
I will lay it down
C# F# Bbm
I can-not catch
G#2 C# F# Bbm G#2
All that you possess
C# F# Bbm G#2
So I die to you
C# F# Bbm G#2
And all I do

F# C# C#2
Cause I Know I can be there with you
F# C# G#2 F#
With your presence wrapped around my heart
C# C#2
I know I have a place beside you
F# B G#2 G#sus G#
Surrendering I lift my arms
