(Fdim, C, Fdim, C, G, F)

Bountiful harvest
The feast of the King
Fracture the body
spill the blood
for me

Mercy perfected
The feast of the King
Blessing poured out
where wrath belonged
for me

(Am, G, F, Am G, F)

Purest bread meets bitter wine
I'll crucify you tomorrow but dine with you tonight.

(Fdim, C, Fdim, C, G, F)

Beautiful table
the feast of the King
completing the story
of your love
for me

(C, G, Am, G, F)

Despised one of the world
The Prince declared a thief
Worthy of all grandeur
but clothed in misery
every single drop I taste
Reveals how beggars become saints

(Am, G, F)

You offer me that change

G

Fdim

To dine with you on the feast of the King
