INTRO: G, C, G, C

C G
Disappointment all around me.
C G
Expectant eyes fill the room.
C G D/F#
Blame and guilt swirling round me
Em C
so thick I can't see through
Em C
Let's just start it all
Em C
over - give me one more
Em C D/F#
chance to prove myself to you.

G D/F# Em
I can't feed your fire
C G
We're all pretending that I can
D/F# Em
What you force me to hold onto
C G
is burning through my hands
G D/F# Em C
I'm in danger of hurting what you think of me
G D/F# Em
If I can't feed your fire
C G, G
there's no place at it for me.

C G
Once again, I'm across the table.
C G
Once again, I'm all alone.
C G
It always sneaks upon me -
D/F# Em C
everything I'm doing wrong.
Em C
Could I try a little
Em C
harder - push a little
Em C D/F#
faster - give a little more.

G D/F# Em
I won't feed your fire
C G
and it's starting to burn low.
D/F# Em
Just so helpless to help yourselves
C G
You'd think by now I'd know.
G D/F# Em C
I'm in danger of losing what I think I need
G D/F# Em
if I won't feed your fire,
C Em
but there's no place at it for me.

Em C
Everything I've given
Em C D/F# Em
All the labor gone ignored
C G
All consumed by flames and fury
D/F# Em C, G, D/F#
just ashes on the floor

G D/F# Em
I don't feed your fire
C G
no matter what I do.
D/F# Em
Anything I offer up
C G
you quickly burn right through
G D/F# Em C
I'm in danger of losing who I'm supposed to be
G D/F# Em C
if I don't feed your fire

REPEAT

G D/F# Em C
I can't feed your fire
G D/F# Em C
No I won't feed your fire
G D/F# Em C
I don't feed your fire
C G, D/F#, Em, C, G
'cause there's no place at it for me.
