INTRO: D/F#, G3, (twice)

D/F# G3 D/F#

I look around me and I see

G3

Children looking back at me

D/F# G3 D/F#

There's so much that I could do

But I fear what they see in me

D/F# G3 D/F#

All the times I let You down

G3

And I failed to raise Your crown

G3

D/F#

Will they see how much I've sinned?

G3

A, A2, Asus, A

Will they know I will again?

G A, A2 D, D2, Dsus, D

How can I lay down my life?

G

Spirit fill my life with compassion to flow through

I recognize they've made their choice

G3

But I still don't have the strength

To lift up my everything

Lord I want to be so strong

G3

And follow You all along

G3

The path that you have laid for me

The blessings you are offering

G A, A2 D, D2, Dsus, D

Help me lay down my life?
