Asus/F# Dsus/G

Lost and lonely,
Asus/F# Dsus/G
wondering what I could have done.

Asus/F# Dsus/G
What choices should I have changed

Asus/F# Dsus/G
to keep me from wondering off?

Asus/F# Dsus/G

Again I longing for rescue.

Asus/F# Dsus/G

Again I need to be saved.

Asus/F# Dsus/G

I have no choice but surrender-

E E/G#

no action I can take

A E/G#

Shouting at whispers,
F#m

calling out your name,

D

frantic for answers

A

and an end to this pain.

E/G#

F#m

Earthquakes and storms are crashing around me

D

so loud I can't hear through.

A E/G#

Waiting on that still small voice

F#m D

as I cry out to you.

A E/G# F#m D

Shouting at whispers.

Asus/F# Dsus/G

My itching ears
Asus/F# Dsus/G

only hear what they want to hear

Asus/F# Dsus/G

My rose colored glasses

Asus/F# Dsus/G

see a circular path that keeps me near.

Asus/F# Dsus/G

To the trappings of my comfort,

Asus/F# Dsus/G

to the place where I feel safe.

Asus/F# Dsus/G

I want to shake these surroundings

E E/G#

and dwell in the danger of your grace.

A E/G#

Shouting at whispers,
F#m

calling out your name,

D

frantic for answers

A

and an end to this pain.

E/G#

F#m

Earthquakes and storms are crashing around me

D

so loud I can't hear through.

A E/G#

Waiting on that still small voice

F#m D

as I cry out to you

C#m D

As much as I want to move forward

A

I just don't know what to do.

C#m D

I want to wait and follow your movement

E E/G#

instead of running away from you.

A E/G#

Shouting at whispers,
F#m

calling out your name.

D

frantic for answers

A

and an end to this pain.

E/G#

F#m

Earthquakes and storms are crashing around me

D

so loud I can't hear through.

A E/G#

Waiting on that still small voice

F#m D

as I cry out to you.

A E/G# F#m D

Shouting at whispers.
