## INTRO: Em, C, G, Em, C, G

Em C G  
Start my day – by listening to you  
D  
speak of everyone else  
Em C  
and how much they mean to you -  
G D  
they're invaluable to you.  
Em C G  
Look at my face – while I'm listening to you  
D  
sweat runs into my eyes  
Em C  
but my first offering  
G D  
is not valuable to you.

C G  
Am I even here to you?  
C Em D C  
Does it even register with you -  
G  
every way I spend my days  
C D  
everything that I do to satisfy you?

G D/F# Em C  
Why do I run the way I do?  
G D/F# Em C  
Why do I give everything I am to you?  
C D  
All I get out  
G D/F# Em  
will always shrink next to what I put in.  
C G  
But I'll claim my loser's prize  
Am7 D  
from the game that I can't win  
Em, C, G, Em, C, G  
and start over again.

Em C G  
Another day – another beating.  
D  
Can I change something  
Em C  
or do something new for you?  
G D  
Tell me what else can I do?

Em C  
What can I say?  
G  
Tell me what is the way  
D  
to get myself in line  
Em C  
with what you think you want from me  
G D  
I want to be valuable to you.

C G  
Am I even here to you?  
C Em D C  
Does it even register with you -  
G  
every way I spend my days  
C D  
everything that I do to satisfy you?

G D/F# Em C  
Why do I run the way I do?  
G D/F# Em C  
Why do I give everything I am to you?  
C D

will always shrink next to what I put in.  
C G  
But I'll claim my loser's prize  
Am7 D  
from the game that I can't win

C Em C Em  
Every day is just a repeat of a copy-  
C Em C D  
a sad forgery of the person I could be
