INTRO: E, A, E, A

E **A**
The first Bible I ever knew
E **A**
was written in the pages of your life.
E **A**
Every word you ever spoke to me
E **A**
was designed to point me towards the light.
E/G# **A**
And when I look at you
E/G# **A**
I know just what I'm called to do.
E/G# **A**
What you've shown me shakes the shadows
B
from my eyes.

E **A**
I want to love just like you.
E
I want to face the world
A
with grace that pushes through.
E
I want to offer every moment
E/D#
from now until the end
C#m
as a living testimony
A
to my Savior and my friend.
F#m **A**
Remembering to cling to all that's true
E, A, E, A
and love like you.

E **A**
You covered me with the dust of your feet
E
as I followed so low and close to you
A
that I could taste the street.
E **A**
Teaching mercy and building hope with faith.
E
Never doubting for a moment
A
when the burden seemed too great .
E/G# **A**
When you look at me
E/G# **A**
your joy and spirit set me free.
E/G# **A** **B**
You see the person that he's calling me to be.

E **A**
I want to love just like you.
E
I want to face the world
A
with grace that pushes through.
E
I want to offer every moment
E/D#
from now until the end
C#m
as a living testimony
A
to my Savior and my friend.
F#m **A**
Remembering to cling to all that's true
E, A, C#m, B, A
and love like you.

E/G# **A**
You helped me realize
E/G# **A**
that the mirror lies.
E/G# **B**
The only truth I need to see is in His eyes.

E **A**
I want to love just like you.
E
I want to face the world
A
with grace that pushes through.
E
I want to offer every moment
E/D#
from now until the end
C#m
as a living testimony
A
to my Savior and my friend.
F#m **A**
Remembering to cling to all that's true
E, A, E, A
and love like you.
