Words & Music by Darrell Smith - © 2002 dLOVE mUSIC

INTRO: G, D, Am, C (twice)

G D
Why do You love me?
Am C
What is it that I do for you?
G D
How could this ever be?
Am C
Who could offer more than You?
G D Am C
All I hold will fall away.
G D Am C
And in the end one thing remains.

G D C
I can't get enough of You.
G D Am C
Your grace, Your peace and everything You do.
G D Am C
Your word it lights my path and keeps me true
G D C, C **G, D, Am, C (twice)**
I can't get enough of You

G D
I realize that the game is won
Am C
Never recognizing all you've done
G D
There's nowhere that I could run
Am C
To escape the love of Your Son
G D Am C
The only way to live as free
G D Am C
Is for me to claim Your offering

G D C
I can't get enough of You.
G D Am C
Your love, Your strength, Your life, Your truth
G D Am C
You offer more than I could ever use.
G D C, C **G, D, Am, C (twice)**
I can't get enough of You

G D
Keep the bushes burning
Am C
until my eyes are opened.
G D
Don't let me stop learning.
Am C
Don't ever let me give in.
G D Am C
Let me have Your heart for them
G D Am C
Lost sheep, lost coin, lost son.

G D C
Because I can't get enough of You.
G D Am C
I serve your people and I'm serving You
G D Am C
There is no heart that you want to lose
G D C
So I can't get enough of You.
G D C
No I can't get enough of You.
G D C
I'll never get enough
G C G, C, G, C, G
of You.
