**G** **D/F#**  
When there's no place I belong  
**Em** **C**  
and no place I can lay my head  
**G** **D/F#**  
When I'm wandering and alone  
**Em** **C**  
broken down and left for dead  
**G** **D**  
You find me where I am  
**Em** **C**  
You move right through my circumstance  
**G** **D/F#**  
You make me understand  
**Em** **C**  
I'm not a stranger in Your land

**G** **D/F#**  
When there's no one to provide  
**Em** **C**  
no one to watch over me  
**G** **D/F#**  
Unloved and cast aside  
**Em** **C**  
searching for a family  
**G** **D**  
You find me where I am  
**Em** **C**  
You move right through my circumstance  
**G** **D/F#**  
You make me understand  
**Em** **C**  
An orphan's not who I am

**G** **Em**  
My Father, My Brother  
**C** **D/F#**  
My Savior, My Lover  
**G** **Em**  
No other could cover  
**C** **D/F#**  
my poverty  
**C** **D/F#** **G** **D/F#** **Em** **C**  
You have rescued me.

**G** **D/F#**  
When my love is left behind  
**Em** **C**  
There's no contact for me to claim  
**G** **D/F#**  
No heart that I can find  
**Em** **C**  
To cover up my lonely pain  
**G** **D**  
You find me where I am  
**Em** **C**  
You move right through my circumstance  
**G** **D/F#**  
You make me understand  
**Em** **C**  
I'm not a widow in Your hands

**G** **Em**  
My Father, My Brother  
**C** **D/F#**  
My Savior, My Lover  
**G** **Em**  
No other could cover  
**C** **D/F#**  
my poverty  
**C** **D/F#** **G** **D/F#** **Em** **C**  
You have rescued me.

**C** **D** **C/E** **D/F#**  
Take my broken heart as you make all things new  
**C** **D** **C/E** **D/F#**  
Take my selfish soul as you make all things new  
**C** **D** **C/E** **D/F#**  
Take my failing strength as you make all things new  
**C** **D** **C/E** **D/F#**  
Take my foolish mind as you make all things new

**G** **Em**  
My Father, My Brother  
**C** **D/F#**  
My Savior, My Lover  
**G** **Em**  
No other could cover  
**C** **D/F#**  
my poverty  
**C** **D/F#** **G** **Em** **C** **D/F#**  
You're everything I need.  
**C** **D/F#** **G** **Em** **C** **D/F#** **G**  
You're everything I need
