

TOO LATE

Words & Music by Darrell Smith - © 2002 dLOVE mUSIC

Adis/G# A2 Adis/G# A2
Why are we yelling?
A2 D2 D, D2
What is it w really need to say
Adis/G# A2 Adis/G# A2
So much that needs telling
A2 D2 D, D2
But pride and passion get in the way
Adis/G# A2 Adis/G# A2
Anger pushes to silence
A2 D2 D, D2
And our silence surrenders to fear
Adis/G# A2 Adis/G# A2
To much distance between us
A2 D2 D, D2
The separation makes lonely tears

F#m D
I want so much to hear you
E A A/G#
But I need to be heard too.
F#m D
And though this night can make us weary
E
We cannot rest until we're through

Adis/G# A2
Cause it's never too late
Adis/G# A2 D2 D, D2
To take back all the words we said
Adis/G# A2
There is no need to wait
Adis/G# A2 D2 D, D2
To reach across our differences
Adis/G# A2
No it's never too late
Adis/G# A2 D2 D, D2
Too late to say how much I need
Adis/G# A2
You right beside me
Adis/G# A2 D2 D, D2
I'm too weak to move without you near
Adis/G# A2, Adis/G# A2, D2, D, D2
So please don't say it's too late

Adis/G# A2 Adis/G# A2
You don't have to say it
A2 D2 D, D2
Your disappointment is more than words
Adis/G# A2 Adis/G# A2
How could someone so close to you
A2 D2 D, D2
Think your point of view is so absurd
Adis/G# A2 Adis/G# A2
I know that you're hurting
A2 D2 D, D2
Heaven knows that I feel the pain
Adis/G# A2 Adis/G# A2
We just can't stop working
A2 D2 D, D2
So take my hand – we'll get through the rain

F#m D
I want so much to love you
E A A/G#
But I need to feel loved too.
F#m D
So even if it takes all night
E
We just have to see this through

Adis/G# A2
Cause it's never too late
Adis/G# A2 D2 D, D2
To take back all the words we said
Adis/G# A2
There is no need to wait
Adis/G# A2 D2 D, D2
To reach across our differences
Adis/G# A2
No it's never too late
Adis/G# A2 D2 D, D2
Too late to say how much I need
Adis/G# A2
You right beside me
Adis/G# A2 D2 D, D2
I'm too weak to move without you near
Adis/G# A2, Adis/G# A2, D2, D, D2
So please don't say it's too late
