

CHRISTMAS ALL YEAR LONG

Words & Music by Darrell Smith ©2008 Chapter 3 Music (ASCAP) – www.darrellsmithmusic.com

G
Lights along the city streets,
Em
stars and tinsel in the trees
Am **D, Dsus, D**
In our ornamental wonderland

G
Giving gifts and sharing laughter
Em
No thoughts of what is coming after
Am **D, D/C, D/B, D/A**
A time when people all join hand in hand

G **D/F# Em C**
It's so easy to feel like Christmas
G **D/F# Em C**
Sharing peace and joy between us
Am D
Why does it feel so wrong
Am D G, G, G, G
When Christmas is all gone?

G
Every year's the same as last year
Em
The holidays are filled with our cheer
Am **D, Dsus, D**
A temporary ritual of light

G
January through November
Em
We forget to feel December
Am **D, D/C, D/B, D/A**
Our schizophrenic season of delight

G **D/F# Em C**
It's so easy to feel like Christmas
G **D/F# Em C**
Sharing peace and joy between us
Am D
Why does it feel so wrong
Am D
When Christmas is all gone?

G **D/F# Em C**
If we hold the hope and share the Spirit
G **D/F# Em C**
Sing our song for all to hear it
Am D
We can keep it going strong
Am D G
And have Christmas all year long

G **B**
Fan the flame for all to see it
Em C
Live the love for all to feel it
G D Em C
Just keep it going strong
Am D G
And have Christmas all year long
G D Em C
Just keep it going strong
Am D G, G, D, D/C, D/B, D/A, G
And have Christmas all year long
