**Intro: F#, C#, D#m<sup>2</sup>, B (4 times)**

F# C#  
I can see you coming  
D#m<sup>2</sup> B  
From half a mile away  
F# C#  
It always seems I'm running  
D#m<sup>2</sup> B  
When I should stay and wait  
F# C# D#m<sup>2</sup> B  
I know the games I play  
F# C# D#m<sup>2</sup> B  
And I hate the path I take  
F# C# D#m<sup>2</sup> B  
Why can't I walk away?

F# C# D#m<sup>2</sup> B  
This time I'll shut the door  
F# C# D#m<sup>2</sup> B  
This time I'll reach the shore  
F# C# D#m<sup>2</sup> B  
I won't go back for more  
F# C# B F#, C#, D#m<sup>2</sup>, B  
Cause this time I'm yours  
**F#, C#, D#m<sup>2</sup>, B**

F# C#  
It's a game of high stakes poker  
D#m<sup>2</sup> B  
A game that I can't win  
F# C#  
And though you hold the joker  
D#m<sup>2</sup> B  
He's smiling at my sin  
F# C# D#m<sup>2</sup> B  
Then the cards come crashing down  
F# C# D#m<sup>2</sup> B  
You win, you get the crown  
F# C# D#m<sup>2</sup> B  
You turn it all around

F# C# D#m<sup>2</sup> B  
So this time I'll walk away  
F# C# D#m<sup>2</sup> B  
This time I want to stay  
F# C# D#m<sup>2</sup> B  
I'll hit my knees and pray  
F# C# B B  
Cause this time I'm yours

C# B  
And just when I surrender  
C# B  
You call me to my feet  
C# B  
Just when I think I've chosen you  
C# B  
It's clear that you chose me

F# C# D#m<sup>2</sup> B  
This time I'll shut the door  
F# C# D#m<sup>2</sup> B  
This time I'll reach the shore  
F# C# D#m<sup>2</sup> B  
I won't go back for more  
F# C# B F#  
Cause this time I'm yours

F# C# D#m<sup>2</sup> B  
So this time I'll walk away  
F# C# D#m<sup>2</sup> B  
This time I want to stay  
F# C# D#m<sup>2</sup> B  
I'll hit my knees and pray  
F# C# B F#, C#, D#m<sup>2</sup>, B  
Cause this time I'm yours  
F#, C#, D#m<sup>2</sup>, B  
I'm yours  
F#, C#, D#m<sup>2</sup>, B  
I'm yours  
**F#, C#, D#m<sup>2</sup>, B, B, F#**
