

YOU'RE STILL THERE

Words & Music by Darrell Smith - © 2002 dLOVE mUSIC

C2 C2/B
Sun comes up and the
C2/A C2/B
day is new and it's
C2 C2/B C2/A C2/B
just too good for one to bear.
C2 C2/B
A clean beginning
C2/A C2/B
the moment's bright as I
C2 C2/B C2/A
taste the sweet touch of the air.
G D Em
Running, laughing and
C
shaking hands between
G D Em C
hugs and kisses everywhere.
G D
But if I'm still for
Em C
just a moment
G D
I know I'll see
C2 C2/B, C2/A, C2/B, C2, C2/B, C2/A, C2/B
that you are there.

C2 C2/B
I look around me the
C2/A C2/B
world's glowing and
C2 C2/B C2/A C2/B
everyone's basking in the light.
C2 C2/B
Feel the warmth
C2/A C2/B
cause you can't hide
C2 C2/B C2/A
the grass is green on the same side
G D Em
The sun is nice but the
C
shade is better as
G D Em C
our worries float off in the air.
G D
Even when I am
Em C
tired and lazy
G D
I raise my eyes
C2 C2/B, C2/A, C2/B, C2, C2/B, C2/A, C2/B
and you're still there

C2 C2/B
Metal roof makes
C2/A C2/B
more noise than it should
C2 C2/B C2/A C2/B
as it's beaten by the rain.
C2 C2/B
I feel my failure
C2/A C2/B
and I feel a fool as
C2 C2/B C2/A
I slip from puddle to pool.
G D Em
Leaves start falling and
C
the storms are calling
G D Em C
I start to question if you care
G D Em
Through the rain if I
C G
Pass the pain I know
D C2, C2/B, C2/A, C2/B, C2, C2/B, C2/A, C2/B
I will see you standing there.

C2 C2/B C2/A C2/B
Bitter wind pulls my collar up
C2 C2/B C2/A C2/B
and turn my eyes away.
C2 C2/B C2/A C2/B
It turns my breath into spirits
C2 C2/B C2/A
and blurs the line of night and day.
G D Em
The light is fading as
C
eyes are closing and
G D Em C
I wonder if it will be fair.
G D Em
Darkness swirls as my
C
chill surrounds me but
G D
I can't deny
C2 C2/B, C2/A, C2/B, C2, C2/B, C2/A, C2/B
that you're still there.
