B E F#/B  
Setting sun on a December street

the lights begin to glisten.

B E F#/B  
In the warmth of a home a father reads

As his children listen  
D#m G#m  
Twas the night before Christmas  
E B F#

And all through the house  
D#m G#m  
No creature could want for more  
E F# B  
O this what Christmas is about.

B F#/B G#m  
Its just an ordinary Christmas  
E F# B  
gathered round the tree.  
F#/B G#m  
Fulfilling all the Christmas wishes  
E F# E  
What more could there be  
F# B F#/B G#m F#  
Opening presents by the fire with family

in the dead of winter

Its the night before Christmas

and nobody seems to care

Invisible to those passing by

If we don't look then they're not really there

B F#/B G#m  
Its just an ordinary Christmas

Homeless and alone  
F#/B G#m  
Your situation is your business  
E F# E  
and your problems are your own  
F# B F#/B G#m F#  
Shuffle off and wonder where it all went wrong.

B E F#/B  
Star-lit night in a quiet town

a father knocks on every door

trying to provide for his family  
E F# D#m  
and find some shelter from the cold  
G#m  
Twas the night of Christmas  
E B F#  
And all through the earth  
D#m G#m  
No one expecting the Savior of all  
E F#  
To be lying inside a manger--but

B F#/B G#m  
Its just an ordinary Christmas  
E F# B  
with the King of kings  
F#/B G#m  
Now we see that God is with us

What more could we need
